

- v13 Changelog:
- \* Decreased size of ON/OFF labels
  - \* Moved A4 snap down to same y-pos as A5 and A3, keyed fp
- v12 Changelog:
- \* Fixed pin label silk, they're not under stop mask anymore
  - \* Moved test points to top side
  - \* Routed some traces around tStop layer
  - \* Renamed power switch positions to "ON"/"OFF"
